Mid-term break/In-service days

Hope you all have a lovely break, we are finished today for mid-term/in-service days. Look forward to seeing you all back on Thursday 16th February.

Mobile Phones in School

We would like to remind you that mobile phones are NOT allowed in school or the school grounds when school is open. If parents feel that their children need to carry a mobile phone in special circumstances they should write a note to the class teacher who will look after the phone (in desk or filing cabinet) until home time. Any phones brought into school without a note or permission will be sent to SMT and parents will be called.

Dog Fowling

We would like you to know we are aware of the ongoing problem of dog fowling in and around the school/nursery grounds. If you are a dog owner, please be responsible and pick up your dog mess. Unfortunately it is always a small minority who do not clear up after their dog, and it gives responsible dog owners a bad name. And we understand that it may not be anyone connected to the school who is responsible. A parent has been in touch with the local dog warden. Her advice is, if you see anyone allowing their dog to foul without picking it up, you can call her to report it. The dog warden is called Laura and her number is 07771 941982. You must have a description of the dog and know where the owner lives before you can report it.

Car Parking

We cannot stress enough the importance of driving and parking safely in and around the school and nursery. As said before at drop off and pick up times especially there can be a lot of children going around. BE AWARE of where you park, how you manoeuvre and your speed when you are dropping off and picking up your children. Keep safe!!
