In order that we know exactly who is attending the disco, there will be a register of all the children, by class and parents/guardians will be required to sign in and out each child. This is for safety reasons i.e. in case of fire/evacuation. At the end of the P1-3 disco, the children can be collected from Unit 1. P4-7 pupils can be collected from the hall. Please see the parent helper with your child's class to sign out your child. No child will be allowed to leave without an adult. We will try to make the process as timely as possible.

Crisps, juice and sweets will be given to the children. Should your child have any allergies or a medical condition you feel the Parent Council should be made aware of please advise on the parent consent form.

**Parent Council will be selling tickets in class on Tuesday 1 and Wednesday 2 November.** Please send your child into school with their payment and the completed Consent Form on those days to buy tickets directly from the Parent Council.

**Admission is by ticket only.**
