## Community Learning Calendar - Inverurie Cluster of Schools

Mr Jones, the Head Teacher at the Academy has been working really hard to create a Community learning calendar (see below), and some of the sessions may be of interest to you; especially our P6/7 parents.

### **Mr Jones says,**

'As you will have heard last session, we have put in place a series of learning opportunities for parents, staff and the wider community during the course of 2017-18. The Community Learning Calendar can be found on our website by using the following link:-'

### **Parent Council Meeting**

Our first Parent Council Meeting of the new school year will be Thursday 21st September 2017 at 7pm in the staff room at Kellands Primary School. All welcome.

## **CAR PARKING - IMPORTANT**

Please can you continue to be considerate when you are parking around the Kellands campus in the nearby streets. Residents have to have access to their drives and parking spaces at all times. I am sure you understand and will be mindful and park safely for the drop off and pick up times.

**A reminder that the staff car parks at the front and nursery ends of the school are for STAFF ONLY and not to be used for dropping off as there are double yellow lines, and they become a bottleneck and create a danger for the safety of the children.**

**Also a reminder to please not occupy the disabled parking spaces in the school car parks at any time as these are crucial for access.**

Please remember that it is a 20mph speed limit on roads approaching Kellands School and the police are monitoring the situation with speeding cars, so please be careful and drive responsibly, thank you.

We appreciate the difficulties with the extra parking restrictions due to the work at the hospital site impacting on increase parking at the turning circle at Kellands park; but we need to work together cooperatively for the safety of our Kellands' children.

**If you have any ideas on how to help with this please get in touch with the school.**

Thank you for your help and understanding in this matter.

## **School Choir - Information**

After much consideration with the Senior Management Team, Mrs Brand and Ms Webster, we have decided to run the school choir as an after school club in terms 3 and 4.

As you can appreciate settling the classes at the start of the year in August is time consuming and it is helpful if we as teachers have time to settle in. In term 2, things become very busy with all things nativity and Christmas, especially with the P1's.

I will send out a letter and some permission slips at the start of term 3 where we will look forward to welcoming back current choir members and meeting some new faces!

Thank you for your understanding in this.

## **Active Schools**

There are still spaces available for the cluster clubs please check the website <https://www.aberdeenshire.gov.uk/request/active-schools/active-schools-online-form-inverurie/>
