Emotional Literacy

Thursday 2nd November in Aboyne

'Emotional Literacy' themed talk/workshop in Aboyne from 7 – 9.00pm.
Places are limited

Understanding our emotions, recognising their influence on us and learning to express them appropriately and accurately are all key to getting along well with others and achieving our goals in life.

We explore ways in which we can encourage children to develop awareness of their emotions. The session will be led by Jill Birch, volunteer at Nature Nurture, early intervention programme for vulnerable/disadvantaged children based at Camphill, Aberdeen.
